

Play Bridge and experience Six Star Luxury in 2009 with Crystal Cruises

Sailing with Crystal Cruises is an unforgettable experience with two ultra-luxurious ships – *Crystal Symphony* and *Crystal Serenity* – offering a stimulating and indulgent environment. Combine this with a choice of superb restaurants and cuisines (with menus created by world-renowned chefs Nobu Matsuhisa and Piero Selvaggio), sports and fitness opportunities and an exciting programme of itineraries. On every Crystal cruise, there is a Bridge Instructor who will organise tournaments and give tips on improving your game in the spacious Bridge Lounges on each of Crystal Cruises’ beautiful vessels. For those who also play golf, the onboard professional will give clinics and the cruises featured here will allow you to enjoy the finest golf courses ashore.
